

Community Recovery-Oriented Needs Assessment (CORONA) Survey

How has COVID-19 (novel coronavirus) affected you and your family? Take the CORONA survey so we can understand how COVID-19 has impacted you. Health departments across the state will use the results of the survey to help our communities recover.

And, you could receive a \$100 Amazon gift code!

Why take part in this survey?

We are doing this survey to better understand the impact of the COVID-19 response on Washington residents. The survey asks questions related to behavioral, economic, social and emotional impacts and needs.

As a thank you for your time and participation, three participants will receive a \$100 Amazon.com gift code each week of the survey! Employees of the Washington State Department of Health, Public Health Seattle King County, and ICF are not eligible to receive a gift code. Only one submission of the survey will be accepted. Duplicate submissions will be removed.

Take the
CORONA
survey and
you could
receive a \$100
Amazon gift
code!

Are your answers confidential?

Yes. This survey is **voluntary** and **confidential**.

If you choose to complete the survey:

- You do not have to provide your name, email address, or other personal information that can identify you.
- You do not have to answer any question you do not want to. You can end the survey at any time.
- Your answers will be combined with answers from other people and reported in group form.

Visit www.WACORONASURVEY.com.
