

HONORING YOUTH'S VOICE, CHOICE, AND AUTONOMY: ADOLESCENT AND YOUNG ADULT SEXUAL AND REPRODUCTIVE HEALTH

Monday, June 6th | 9:00AM-3:15PM PST
Free Virtual Conference

Topics will include:

- Reproductive justice and health equity
- Sexual and reproductive health for trans and gender diverse youth
- Biomedical approaches to HIV and STD prevention
- School-based sexual health
- Consent, pleasure, and sex positivity
- Sexual and reproductive health for youth with special healthcare needs

This conference is designed for those who work with adolescents and young adults including nurses, nurse practitioners, primary and subspecialty care physicians, psychologists, social workers, community leaders, health educators, community healthcare workers, and other interdisciplinary providers.

The aim of the conference is to increase the capacity of providers to support the reproductive and sexual healthcare needs of young people. Conference participants will gain a better understanding of youth autonomy, sex positivity and best practices for positive sexual and reproductive health outcomes.

Full program and schedule coming soon.
